Peshawar, Pakistan

PROFESSIONAL SUMMARY

Senior FMCG Sales Leader with 15+ years of experience in General Trade (GT), Route-to-Market (RTM), distributor management, and field force leadership across Pakistan. Proven record in driving sales forecasting, demand planning, numeric distribution, and weighted distribution to achieve sustainable market growth.

Expert in retail execution excellence, merchandising compliance, category development, and secondary sales tracking. Strong leadership in managing large sales teams and improving coverage, visibility, and product availability in competitive FMCG markets.

Led digital transformation in sales operations through **SMART Sales App** (head office initiative) and developed **SALESPULSE** analytics system using Gemini AI Studio for real-time Brand, SKU, OB, and route-level tracking.

Recognized nationally for top regional performance and highest category share achievement in detergent category.

PROFESSIONAL EXPERIENCE

Regional Sales Manager – North

Aziz Group of Industries | Mar 2022 – Present

- Lead regional FMCG sales operations across North Pakistan managing 45+ distributors and field force including 1 Sales Coordinator, 1 ASM, 6 TSMs, and 22 Order Bookers
